

Valley Village, a nonprofit organization that provides services to people with developmental disabilities is currently seeking a Full-Time Registered Nurse in our ADHC Program in Winnetka, CA.

Job Responsibilities:

The RN will monitor client's health on a day-to-day basis. Interface with the client's primary physician and any specialist the client may see as well as the client's family and care provider.

- Assess each client to determine needs for personal care and assistance in activities of daily living such as bathing, grooming, toileting and eating; include these needs in the plan of care and supervise the provision of service.
- Specify short and long-term nursing goals in each individualized plan of care.
- Document all skilled nursing care provided on the day the service is given and include quarterly signed and dated progress notes in each participant record.
- Provide health education and counseling to the participant and his/her family or care provider when indicated by the plan of care.
- Provide assistance in obtaining medical services from providers other than Valley Village.
- Monitor, administer and record prescribed medications and record medications in accordance with all regulations.
- Provide training in self-administration of medications to participants as recommended by the multidisciplinary team.
- Provide liaison to client's personal physician.
- Provide observation and monitoring of health status of each client.
- Provide supportive and restorative nursing as indicated by the treatment plan.
- Serve on the assessment team to assess the nursing needs of the participant and develop the nursing component of the individualized plan of care.
- Ensure that nursing services supplies and equipment are in accordance with all regulations.
- Monitor participant's dietary needs and provide direct observation during mealtimes to identify any issues.
- Monitor the maintenance programs designed by the physical and occupational therapist.

Qualifications:

- Must have a valid CA RN license.
- Must have 2 years experience working in a licensed health care facility.
- Experience working with adults with developmental disabilities strongly preferred.

ALL CANDIDATES MUST PASS A PHYSICAL EXAM, TB SCREENING AND FINGERPRINT CLEARANCE.

By joining Valley Village, you will find this to be a comfortable and satisfying place to work. You may visit our website to complete an employment application at www.valleyvillage.org or you may apply in person at 20830 Sherman Way, Winnetka, CA 91305.
