## LEAVING A LEGACY

In 2002, the Valley Village Foundation was founded to continue providing for the future financial viability of Valley Village, through an established endowment supported by the Legacy Group. Members of the **Legacy Group** are those who have named Valley Village in their planned giving.

Executive Director Debra

We honored and thanked these Legacy Group members with a wonderful wine tasting event held at the home of Foundation President, Judi and her husband, Ron Prejean on April 2. Those in attendance tasted five wines from several of Italy's regions, while enjoying hearty Italian food from **Rocco's Tavern LA**. We cannot thank the Legacy Group Members enough for their contributions to our organization. Valley Village is a big piece of each of their hearts!
