SPRINGING INTO MAY

Flowers are blooming, rivers are flowing, spring has sprung, and Valley Village is preparing for some incredible events.

Valley Village clients and friends from other organizations throughout the Los Angeles region came together at the California Science Center

Clare and Kristen enjoying

last month as part of our well-known Community at Large event. Over 300 individuals, staff, families and friends participated and were able to tour the Endeavor space shuttle. We'd like to thank the **California Science Center**, **CEO Computers**, **Paul Davis and Alberta Bellisario Insurance Services**, **U-Frame It Gallery**, **Brandon Feder**, and Volunteer Emergency Command Center of the San Fernando Valley.

Valley Village is in constant awe of how wonderful our volunteers, donors, and family members are. We hope that with this spring season, you will continue to keep Valley Village as a priority in your life, allowing us to continually grow into an even more dynamic organization. Whether you are able to give a couple dollars or a couple hours a month, we appreciate our Valley Village supporters more than we can express.

Showtime! is June 11. [Click here](#) for the full invitation.

Join us on Saturday, June 11 for the most spectacular show in the San Fernando Valley. With **Sunda Croonquist** as our host, **James Harris** and **Eric Schwartz** as our guest comedians, and Honorary Chair, **Bob Saget**, we're sure to have a full house (...get it?)!!

We cannot wait to see you at the most fun event of the year! Filled with comedy, boutiques, garden party, delicious luncheon, and so many opportunities to win amazing prizes through our live and silent auctions, Showtime! is always a wonderful day!
