VALLEY VILLAGE

FIESTA for FRIENDS

Sponsorship Opportunities - Deadline for printed program is October 6, 2017

Why Sponsor a Valley Village Event?

- The community is enriched by the lives of those with developmental challenges. Likewise, the lives of the individuals served through Valley Village are enriched by the community around them.
- As individuals with intellectual and developmental disabilities age, their medical needs increase.
- The cost to operate a complex system of housing, medical care and educational services increase at an alarming rate.
- An investment in Valley Village is good corporate citizenship. Valley Village, with its deep roots in the community and its more than 45-year record of serving those in need of special services, is an organization to be proud to invest in.
