PROJECT WITH A CAUSE

Carnival Fun!

In November, [Stephen Michaels](#) will have his Bar Mitzvah. Stephen's Aunt Lisa, was born with Down Syndrome and lived at Valley Village. Stephen had a very special relationship with Lisa and enjoyed when he and his family would visit and spend time with her. She passed away in 2002 from heart complications.

Stephen and his family have decided to help raise awareness of the special needs community by raising money to send Valley Village residential clients to the annual [Shomrei Torah Synagogue's Purim Carnival](#), which will be held on March 20, 2011. The day will be filled with games, rides, music, dance and of course food!

Stephen's project is in honor of his very special aunt.

To help Stephen raise money to send our clients to the carnival, please [click here](#) and make your donations in honor of Stephen Michaels' Bar Mitzvah project.

Difficult things we do quickly. The impossible takes a little longer.
