## Wine, Cheese & Legacy

Hosted by Judi and Ron Prejean

The Legacy Group Wine and Cheese event was a success. A special thanks to Judi and Ron Prejean for hosting such a lovely event. The wine pairing portion of the event pleased palates and was satisfying. We all enjoyed learning about different wines and why they pair so well with certain cheeses. During the event The Legacy Group Members shared stories and their reasons for being members and why it's important for others to consider becoming a member.

Founded in June 2002, the **Valley Village Foundation** is a nonprofit corporation committed to providing for the future financial viability of **Valley Village**, through an established endowment supported by the **Legacy Group**.

One function of the **Foundation** is to help parents plan ahead through proper estate planning. Members of the Legacy Group are those who have named **Valley Village** in their planned giving. There is no other obligation than to let **Valley Village** know that you have done so.

"We're all reluctant to think about our ultimate demise, but parents of disabled children need to make provisions for their children's care for the rest of their lives."  
- Dolores Zimmermann

The Legacy Group's goal of providing for **Valley Village's** future can only be realized with your support. The building of the **Foundation's** endowment is a critical component of ensuring the financial viability of the organization in light of continued funding source challenges.

For more information on becoming a Legacy Group member, or about advanced planning, please call our office at [818\) 587-9450, x120](tel:818-587-9450), or call our Advanced Planning Chairman, Dick Bartus, at [661\) 254-2900](tel:661-254-2900). Thank you to all who attended this event and we look forward to the next Legacy Group gathering.

## Meet at the Getty Center October 4

Community-at-Large Day Will Be Awesome

Don't miss a fantastic day at the **Getty Center** on Saturday, October 4. At our Community-at-Large Day, persons with developmental disabilities will gather for a **day of friendship and fun at one of Southern California's most spectacular venues** - the Getty Center.

Participants and volunteers will enjoy the unique works of art and stunning gardens along with picnicking and a passport challenge. We have nine partner organizations so we expect to see many new smiling faces.

Interested individuals, groups and volunteers can still sign up. Please contact us at [\(818\) 587-9450, ext. 120](tel:8185879450), or email **Jo Ellen** by October 2. **Download the flier here** for more details.

## Air Time for Valley Village

### Sharing the volunteer experience

Guess who's on the air? Valley Village is part of the premiere episode of **"Volunteer in the Valley,"** a new Internet radio show on KPCR at Los Angeles **Pierce College in Woodland Hills**. Created and hosted by student Milo Anderson, the show brings information on volunteer opportunities to listeners.

Our own Volunteer Coordinator, **Jo Ellen Krumm**, shared information about **volunteering at Valley Village**. Other guests were from the Boys and Girls Club and the Valley Food Bank. Future shows will showcase other volunteer opportunities in the Valley.

The show was broadcast live on Sept. 18. You can listen to the podcast at **KPCRadio**

Our thanks to Milo and KPCR for this innovative community service.
