Summer 2020

The Valley Village Foundation was formed to ensure the future financial viability of Valley Village. The focus of the Foundation is the endowment to provide lifelong care for our clients.

VALLEY VILLAGE FOUNDATION BOARD UPDATES

The Valley Village Foundation Board elected new officers at the April meeting. We are pleased to announce the new officers:

The Valley Village Foundation Board thanks Judi Prejean – immediate past President - for over eight years of service and dedication to the Foundation. Judi has taken a new work opportunity that demands more of her time, but she will remain active in other roles.

Mark Levinson exemplifies the true spirit of volunteerism and community service. The 2015 Fernando Award recipient is actively engaged with nine boards, including his newest role as President of the Valley Village Foundation Board.

Mark is an attorney, and he practices family law. He graduated from CSUN with a B.S. in Political Science. He earned his law degree from USC. In December, Mark and his wife will celebrate 50 years of marriage. He and his wife have a daughter, a son-in-law and one granddaughter. 2020 VALLEY VILLAGE COUNTRY CLASSIC POSTPONED

The Valley Village Country Classic has been postponed to September 10, 2020, for the safety of our communities while COVID-19 remains a threat. We continue to keep an eye on state and local guidelines for events, which will dictate whether or not we can host the event in September. Please contact Matthew Swearman at matthew@vvc.org or 818.587.9450, extension 161 if you have any questions.

LEGACY GROUP EVENTS POSTPONED

In addition to the Valley Village Country Classic, Valley Village had to postpone the Legacy Thank You Event that had been planned for March. At this time, we are in the process of planning a virtual event so we can get together safely and remain in touch. Stay tuned for more information about date, time and the online platform we will use to host an event.

STAY SAFE AND BE WELL

2020 has proved to be a challenging time for all of us. We are all having to make adjustments to how we live, work and spend time with the people we care about. Through this time, please stay safe and take care of yourself. If there is anything you need, even if it's a friendly voice to talk with, please do not hesitate to reach out to Matthew Swearman at 818.587.9450, ext. 161.
