Valley Village's 2022 Halloween Carnival

On Wednesday, October 26, Valley Village hosted a creepy Halloween Carnival at its Winnetka Development Center for over 100 residential and day program clients who attended. Staff – with help from over thirty volunteers – created the carnival with games, prizes, and trick-or-treating. Clients who attended the event were delighted and enjoyed the activities after the last two years when Halloween was limited to drive-thru events. They wore costumes, got lots of treats, and played fun carnival games the staff created. Volunteers helped with set up, ran games and helped clients participate, and cleaned up when the carnival ended.
