Winter 2022

The Valley Village Foundation was formed to ensure the future financial viability of Valley Village. The focus of the Foundation is the endowment to provide lifelong care for our clients.

IN MEMORY OF BOB SAGET - FRIEND OF VALLEY VILLAGE

Like so many, we were shocked and saddened to learn of Bob Saget's passing in January. We mourn the loss of Bob Saget as a friend and a philanthropist who supported Valley Village. We were lucky to be among the causes close to Bob's generous heart. Bob's work and dedication helped Valley Village enrich the lives of the people who rely on its services. Everyone who met him through Valley Village events experienced his kindness and authenticity. He will always be a member of the Valley Village family.

LEGACY GROUP GATHERINGS ON HOLD

In the last edition of the Legacy Group Newsletter, we shared that we plan to return to in-person Legacy Group events. Based on current trends with COVID and a recent discussion with the Foundation Board, we decided to pause in-person Legacy Group events for the first quarter of 2022. We will keep you updated as we look to the second quarter of 2022. Until then, stay safe and take care!

VALLEY VILLAGE LETTERS TO SANTA UPDATE

In December 2021, we created and shared an Amazon Wishlist called "Letters to Santa" from our program participants, residents, and program staff. Thanks to the generosity of donors and supporters like you, we received many of the items we requested, including games and engaging activities. Program staff shared the donated items, and our participants and residents will enjoy them all year round.
