GARDENING AT VALLEY VILLAGE GROUP HOMES

Valley Village staff recently delivered plants and gardening supplies from a local Boy Scout to our group homes and day programs. Residents and care providers will use the plants and supplies to enhance the gardens they've created. We will be sharing photos of residents and their gardens as they plant, cultivate, and grow flowers, fruit, and vegetables. Please follow Valley Village on Facebook, Instagram, and Twitter at ValleyVillageLA

to see more pictures of our residents enjoying the fruits of their gardens! Learn more about the gardening project at valleyvillage.org/blog
